## ARRIVED SAFE.

Mr. J. B. Williamson on Tuesday received a call from his son, William, who had just arrived safely from Liverpool, England. Mr. Young is on his vacation touring part of the continent.

## WHEAT YIELDS WELL.

Threshing has already started and the yield of wheat is exceptionally good. The grain is solid and plump and far better than most years. We have been told of one field of 12 acres near Spring Valley that made exactly 40 bushels to the acre and tested 40 to the bushel. According to market reports the price of wheat will not remain where it is long owing to the yield. The elevators were paying 75 cents the first of the week.

## POPULAR LECTURE.

Pastor Charles T. Russell, of Allegheny, Pa., is to deliver his famous lecture, "To Hell and Back," at the opera house in Cedarville, O., on Sunday, July 12, at 2:30 p. m. As editor of "Zion's Watch Tower," author of "Millennial Dawn," and president of the Watch Tower Bible and Tract Society, Mr. Russell has been prominently before the Christian world for more than thirty years. Mr. Russell's discourse on the above subject is most convincing. Questions which have troubled Bible students for ages are cleared up. All the promises, prophetic statements and dark sayings both in the Old and New Testaments are seen to blend in one harmonious plan. Everybody invited. Every thing free. No collection.

A very pleasant afternoon party was given on the Fourth by Miss Clara Bull, in honor of her cousin, Miss Olive Winter, of Cedarville, who was visiting the family, on Dayton Hill. About twenty of their young girl friends were in attendance. The time was spent in games and jovial conversation. Refreshments were served. The decorations were the national colors. Altogether it was very enjoyable. —Gazette.

The storm last Saturday night was one of the worst storms recorded in this section for some time. Considerable damage was done to timber. Mr. G. E. Jochims lost sheep. Mr. Harry Ewy suffered the heaviest loss by two or three hundred and thirteen sheep being killed with the lightning. His loss was partially covered by insurance.

## DIVORCE SUITS.

The divorce suits affecting Cedarville parties have been filed in the Court of Common Pleas. Elizabeth Barlow asks for separation from Harry Barlow on the grounds of intemperance and being an habitual drunkard. They were married July 11, 1902. The second case is that of Frank Gordon who wants separation from his wife, Olive Gordon, on the grounds of desertion. They have three children and an affidavit is charged upon the part of the wife. Gordon asks for the custody of the children.

Judge Kyle upheld Mayor McFarland's decision in finding Thomas Mitchell guilty of violating the Beer Law and having intoxicants in his possession under the Search and Seizure Law. The fine was \$200 and the costs.

Mrs. Louisa McQuinn died at her home in Spring Valley, Monday and was buried in the cemetery north of town Wednesday afternoon. The funeral was held from the residence of Mr. John Shesades, a brother. Mrs. McQuinn formerly lived here. Two daughters and one son survive.

## FLORIDA HOME IS BURNED.

Mr. D. S. Keys received a telegram Monday of the burning of the house occupied by his wife and father's family near Orlando, Fla., had burned to the ground. Mr. Keys with his father, Milton, own a large orange plantation a mile from that city.

A letter received this morning states that Mrs. Milton Keys discovered the fire while getting supper, there being no one at home except her, Mrs. E. S. Keys and her daughter. Mr. Milton Keys and his grandson, Cecil, having gone to the city.

Before the warning could be given and neighbors summoned the entire top of the house was in flames. Only the beams, trunks and some clothing were saved. An effort was made to save the piano but the fire was too close.

The loss on the dwelling alone is estimated at about \$2,000 with only \$5,000 insurance. The household goods were insured for \$500.

Mr. E. S. Keys still having some of his household goods here had them shipped to Orlando on Tuesday morning.

## Our 37th Semi-Annual Clearance Sale

WILL BEGIN

# SATURDAY, JULY 14

The Clearance sales of Kinnane's are events which have been adopted by us for the past 37 years and have become of utmost importance and popularity to every economist and money-saving buyer. It is a custom adopted for the purpose of clearing up all season's goods, as we never carry from one season to another any merchandise, preferring to dispose of it at any price rather than do so. So that commencing SATURDAY, JULY 14TH, we shall offer our entire stock at

## ...PRICES NEXT TO NOTHING...

"Kinnane's" Great Clearance Sales are a household word throughout this great State of Ohio. Each succeeding season brings with it greatly increased business—the season just closing has already proved by far the most successful in all of our 36 years of retail merchandising. The present ratio of business shows a business of nearly \$1,000,000, which necessitates carrying stocks equaling stores of greater size in the largest metropolitan cities. Our one object in this, as in all other season's sales is to dispose quickly of all merchandise on hand at the close of the season. Therefore this announcement should interest every householder for 50 miles from Springfield, as Prices will be the ruling feature to make this Thirty-Seventh Semi-Annual Sale the most pronounced success possible to attain. The policy of Kinnane's: Everything marked in plain figures. Everything is as represented, and one price to all, and further, we guarantee the price of everything we sell to be lower than the same article or pattern can be bought for anywhere else during this sale. If in a day, a week, or a month later, you find the same thing lower elsewhere, make claim upon us and it will be allowed. What broader guarantee can be given? It should make your shopping very safe, and especially as we deal only in the very best of everything.

## SPECIAL NOTICE!!

Additional with the unexcelled Low Prices prevailing during this Sale, to save out-of-town buyers the expense of transportation, we will pay car fare to Springfield on all Purchases of \$10.00 and over within a radius of fifty miles of this city.
